

KRISTOFER S. RUETER, P.E.

EXPERIENCE

DESIGN MECHANICAL, INC. - QUINCY, ILLINOIS

5/00 – PRESENT

Responsible for the design of commercial and industrial mechanical and electrical systems including heating, ventilating and air conditioning, electrical power distribution, and lighting systems.

KLINGNER & ASSOCIATES, P.C. - QUINCY, ILLINOIS

1/97 – 4/00

Staff engineer responsible for the design, preparation of plans and specification of mechanical, electrical power distribution, and lighting systems for commercial and industrial facilities. Projects include:

EDUCATION

University of Illinois at Urbana-Champaign

December 1996

College of Engineering, Department of Mechanical & Industrial Engineering

Major: Bachelors of Science in Mechanical Engineering

Field of concentration: Design and Materials

PROFESSIONAL REGISTRATION

Professional Engineer – Illinois and Nebraska

HONORS

Thiokol Award for Excellence in Engineering Design, University of Illinois, 1996.

PROFESSIONAL SOCIETIES

American Society of Heating, Refrigeration and Air-Conditioning Engineers (ASHRAE)

American Society of Mechanical Engineers

Illinois Society of Professional Engineers

National Society of Professional Engineers

Society of Fire Protection Engineers
